WHY INVEST IN EAUT?

1 EXPOSURE TO INNOVATION

Aims for thematic multi-cap exposure to innovative industrial elements, including: robotics, autonomous vehicles, energy storage, 3D printing and space exploration.

2 GROWTH POTENTIAL

Aims to capture long-term growth with low correlation of relative returns to traditional growth strategies and negative correlation to value strategies.

3 TOOL FOR DIVERSIFICATION

Offers a tool for diversification due to little overlap with traditional indices. It can be a complement to traditional value/growth strategies.

4 GROUNDED IN RESEARCH

Combines top-down and bottom-up research in its portfolio management to identify innovative companies and convergence across markets.

5 COST EFFECTIVE

Provides a lower cost alternative to mutual funds with true active management in an Exchange Traded Fund (ETF) that invests in rapidly moving themes.

Commissions, management fees, brokerage fees and expenses may be associated with an investment in ETFs. Before investing, you should carefully consider the ETF's investment objectives, strategies, risks, charges and expenses. This and other information are in the ETF's prospectus, which may be obtained by visiting www.emergecm.ca or www.sedar.com. Please read the ETF prospectus carefully before you invest. An investment in an ETF is subject to risks and you can lose money on your investment. Detailed information regarding the specific risks of the ETF can be found in the prospectus. There can be no assurance that the ETF will achieve its investment objective. The ETF's portfolio is more volatile than broad market averages. Units of the ETF are bought and sold at market price and there can be no guarantee that an active trading market for the ETF units will develop or be maintained, or that their listing will continue or remain unchanged. ETFs are not guaranteed. Their values change frequently. Past performance may not be repeated. The statements contained in this document are based on information believed to be reliable and are provided for information purposes only. Where such information is based in whole or in part on information provided by third parties, we cannot guarantee that is accurate, complete or current at all times. This document does not provide investment, tax or legal advice, and is not an offer or solicitation to buy. Graphs and charts are used for illustrative purposes only and do not reflect future values or returns on investment. Particular investment strategies should be evaluated according to an investor's investment objectives and tolerance for risk. Emerge Canada Inc. and related entities are not liable for any error or omission in the information or for any loss or damage suffered.
