WHY INVEST?

1. Exposure to innovation

Aims for thematic multi-cap exposure to innovation across sectors. ARK believes the securities held in this fund present the best risk-reward opportunities from ARK’s innovation based themes.

2. Growth potential

Aims to capture long-term growth with a low correlation of relative returns to traditional growth strategies and negative correlation to value strategies.

3. Tool for diversification

Offers a tool for diversification due to little overlap with traditional indices. It can be a complement to traditional value/growth strategies.

4. Grounded in research

Combines top-down and bottom-up research in its portfolio management to identify innovative companies and convergence across markets.
