Commissions, management fees, brokerage fees and expenses may be associated with an investment in Mutual Funds. Before investing, you should carefully consider the Mutual Fund's investment objectives, strategies, risks, charges and expenses. This and other information are in the Emerge funds prospectus, which may be obtained by visiting www.emergecm.ca or www.sedar.com. Please read the prospectus carefully before you invest. An investment in an Mutual Fund is subject to risks and you can lose money on your investment. Detailed information regarding the specific risks of the Mutual Funds can be found in the prospectus. There can be no assurance that the Mutual Fund will achieve its investment objective. The Mutual Fund's portfolio is more volatile than broad market averages. Units of the Mutual Fund are bought and sold at market price and there can be no guarantee that an active trading market for the Mutual Fund units will develop or be maintained, or that their listing will continue or remain unchanged. Mutual Funds are not guaranteed. Their values change frequently. Past performance may not be repeated. The statements contained in this document are based on information believed to be reliable and are provided for information purposes only. Where such information is based in whole or in part on information provided by third parties, we cannot guarantee that is accurate, complete or current at all times. This document does not provide investment, tax or legal advice, and is not an offer or solicitation to buy. Graphs and charts are used for illustrative purposes only and do not reflect future values or returns on investment. Particular investment strategies should be evaluated according to an investor's investment objectives and tolerance for risk. Emerge Canada Inc. and related entities are not liable for any error or omission in the information or for any loss or damage suffered. Certain statements in this marketing profile include forward-looking statements and those statement identified by the expressions "believe", "will" and similar expressions to the extent they relate to the Emerge Funds or Emerge. These forward-looking statements are subject to a number of risks and uncertainties and are based on several assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from current expectations. Forward-looking statements are not guarantees of future results. The top ten holdings, sector weights, geographic allocations and market capitalization are included to illustrate examples of the securities and sectors, geographics and market caps that the fund held as at a particular date and may not be representative of the fund's current or future investments and may change at any time.
